

Bottom-up collaboration

Experiences from NOSTE village network
projects in Kainuu region, Finland

Henry David Thoreau:

The key to happiness, is not to look for it.

It is like a colourful butterfly:

‘The more you chase it, the more it will elude you. But if you turn your attention to other things, it will come and sit softly on your shoulder’.

An idea borrowed from Yanis Varoufakis: ‘Talking to my daughter’

Thank you, for your attention
