Diversity of support under LEADER

Support for emergence of Smart Villages and for implementation of Smart Villages actions

- Umbrella-type projects led by LAGs – **activating communities**
 - *capacity building, preparation activities and animation for villages...*
- Transnational and cooperation projects
- LAG support to villages in **SV strategy** elaboration
- Targeted support for smart projects / **Smart Village initiatives** / smart actions (under strategies or not)
 - *project selection criteria, support intensity...*
