

Smart Villages Taskforce Poland

Andrzej Hałasiewicz Smart Rural 27 expert

Taskforce purposes

- Help in using the opportunities created by CAP Strategic Plan 2023-2027
- Exploring the possibilities and expanding the scope of financing the Smart Villages concept from various European funds and national sources.
- Initiating technical assistance for interested parties

Activities

- First TF Poland meeting 09 03 2023
- Local development strategies – June 2023
- LGD meeting – September 25-27, 2023
- Work on a guide for LAGs
- TF Poland sustainability

Challenges

- Smart village concepts are really implemented under LEADER
- The concept of Smart Villages supported by various sources

Smart Villages under LEADER

- The National Strategic Plan CAP 2023-2027 - support for the concept of Smart Villages.
- The LEADER Local Action Group (LAG) can foresee preparation of 'Smart Village' concepts in its Local Development Strategy (LDS), and the projects being part of 'Smart Village' concepts will receive extra points in calls organised by LAGs.
