Smart Villages in other EU funds and programmes

Landdistriktspuljen (The Rural District Fund) (National public fund): The purpose of Landdistriktspuljen (The Rural District Fund) is to support projects that can promote and strengthen employment, business development, services, living conditions, settlement as well as local cultural and leisure activities in rural areas. Landdistriktspuljen has sub-funds for projects in relation to local citizen-run grocery stores, renewable energy, development for small islands and voluntary work in rural areas. Most of these targets could be relevant as support for Smart Village approach.
